And extras that were built in by Thunderbird Boat Works when the boat was built.

The engines and transmissions are digitally controlled.

All engines are diesel; and were fully serviced by accredited service agents less than 2-months ago (5-hours of operations previously.)

All electronics and electrics were thoroughly serviced 2-months ago. Cables, plugs, interfaces were replaced as was necessary.

All batteries (eleven) and the 80 amp battery charger are less than two-months old.

The Volvo engines have built in mechanically assisted fitted pumps to make oil changes push button easy.

The 10KW Kohler generator has remote starting.

There are two GPS chart plotters. One is a new touch screen Raymarine top of the line.

There are two refrigerators. The galley reefer is a freezer/refrigerator that operates automatically on 120 volt or 12 volt. The cockpit reefer has an icemaker. This is next to the wet bar. Great for facilitating partying.

Bow thruster: Joystick control.

Two large 4K flat screen TVS.

Inverter: Magnum 3000 watt, built into 12 volt electric infrastructure. With programmable remote.
4-New batteries less than 2-month old.

The microwave is a Sharp combination microwave and convection oven.

Boat has complete canvass coverings.

Head is electric vacuum-flush. The mechanics were entirely replaced 3-years ago.

Davit crane built into transom makes lifting dinghy a one-person job.

The “second” sleep area can be easily converted to a sitting area with a beautiful table that is stowed right there.

Storage: massive area under seats, and beds, and various lockers throughout.

Sundry: Fishing rods and paraphernalia, surf/boogie boards, kayak, and beach chairs. Various assorted life jackets and vests from toddlers to adults.

This Formula 41 PC is a **clean, well-equipped cruiser** ready for its next owner. Whether you\'re planning weekend getaways, coastal cruising, or entertaining at the dock, this boat delivers in all categories.
