General Boat Description

Rosie is a new T11 put into our Waypoints business yacht ownership program May of 2026. This vessel is available for sale as a personal use vessel or it can be sold with a book of charter for the 2026 summer season here in Annapolis.

Please view our BYO program at ACYYachts.com and call me for more information about how you can own this vessel and offset your operating expenses.

The Nimbus T11 is a premium Scandinavian-built day cruiser designed for performance, versatility, and effortless social living on the water. Hull #295, located in Annapolis and ready for a new owner.

Powered by twin Mercury Verado V10 400HP outboards with joystick control, autopilot, and Skyhook positioning, the T11 delivers exceptional handling and performance. She cruises comfortably at higher speeds with smooth stability, making her ideal for Chesapeake Bay cruising, entertaining, or quick weekend getaways.

The deck layout is where the T11 truly excels. Designed as a walkaround platform, she offers seamless movement from bow to stern with multiple social zones. Forward, a large sunbed and lounge area provide the perfect place to relax at anchor. Aft, the cockpit transforms into an inviting entertaining space with generous seating, a dining table, and a fully equipped wet bar. The addition of the T-top with integrated sunshades ensures comfort in all conditions, while teak decking and

premium upholstery elevate the onboard experience.

Below deck, the T11 offers impressive accommodations for her class, featuring two cabins and a full head. The interior is finished in Nimbus' signature Nordic Oak, creating a bright, modern, and welcoming atmosphere suitable for overnight stays or extended weekends aboard.

This particular vessel is equipped with a full suite of premium options, including Simrad navigation electronics with radar and sonar, high-end audio system, generator, air conditioning, diesel heating system, solar panels, underwater lighting, and bow thruster for enhanced maneuverability.

The Nimbus T11 represents an outstanding opportunity to own one of the most capable and stylish day cruisers in her class—perfectly suited for both entertaining and practical coastal cruising.
