General Boat Description

Motivated Seller!

This Swift Trawler 44 is an extremely comfortable yacht with extra amenities thoughtfully designed for extended cruising and autonomy. The perfect balance of safety, livability and practicality carefully integrated to create and assure peace of mind at sea. **This boat is cruise ready, bow and stern thrusters, generator, high capacity Sea Recovery water maker, large battery bank, air conditioning, extensive spares, ultra anchor, extra bilge pumps installed, underwater lights and the list goes on!**

The Swift Trawler 44 is a distillation of the best this boat has to offer.

This "Trawler by Beneteau" is fast and highly seaworthy, designed for ocean cruising.

She is at home on all seas and her consistent energy efficiency makes her a world leader in her category.

The Swift Trawler 44 is the result of a joint collaboration by the Beneteau design office, the architect Michel Joubert and the designer Pierre Frutschi. Underway, her semi-displacement hull offers very enjoyable sensations at all speeds, as well as terrific stability as she breaks through the waves. She is timelessly elegant, combining classic style and great modernity.
