Engine Type: Inboard

Engine/Fuel Type: diesel

Engine Hours: 0

Engine Power: 75|horsepower

Tanks

Fresh Water Tanks: 1140Gallons

Fuel Tanks: 166Gallons

General Boat Description

47\' | Dufour 470 | 2024

The 2024 Dufour 470 now available in Marina del Rey represents an exceptional blend of modern design, performance, and comfort. Rarely found on the West Coast, this yacht features a **4 cabin, 4 head** layout, making her a perfect choice for large families or groups who want to cruise in style without sacrificing privacy. Delivered new to the current owner and maintained in a local charter program for just over a year, she has been kept to the highest standards and presents in spectacular, nearly new condition.

The cockpit is designed for both sailing efficiency and relaxation, featuring dual composite helm wheels with dedicated nav pods, a central sun pad between the helms, and a clever step forward of the helms that provides easy access to the side decks and bow. At anchor or dockside, the retractable swim platform transforms into an outdoor galley with a plancha grill and sink, creating the perfect space for entertaining.

Outfitted with the upgraded offshore Elvström performance sail package, she offers both speed and handling to satisfy serious sailors, while her B&G electronics suite with AIS and radar, tunnel bow thruster, and electric winches ensure confidence and ease of operation. Notable upgrades include an aftermarket inverter, retractable davits, and a hard-bottom tender, all of which add to her versatility and cruising capabilities.

The next owner may continue charter placement to significantly offset ownership costs, or enjoy her privately as a rare opportunity to step into a late-model, turn-key Dufour 470 in Southern California

waters.

Don\'t miss this opportunity to own a late model cruising yacht that is tariff free. Contact the listing broker for more information or to schedule a showing.

If you are interested in discussing how charter placement for this boat can significantly reduce your ownership costs and how you can benefit from huge tax write savings please contact the listing broker!
