OVERVIEW

"Three Sheets" is an exceptionally well-equipped and professionally maintained 2019 Fountaine Pajot Saona 47 offering an outstanding opportunity to acquire one of the most sought-after cruising catamarans in her class.

She presents a rare opportunity to secure a proven cruising platform with substantial recent upgrades and immediate private ownership potential or can remain in charter.

Among her most notable upgrades are a custom fiberglass hardtop helm station replacing the factory canvas arrangement, a new square-top mainsail and genoa installed in January 2026, and a new Highfield CL340 tender with Yamaha 25HP four-stroke outboard.

The Saona 47 is renowned for combining sailing performance with exceptional living space. Her expansive cockpit, oversized flybridge lounge, bright panoramic salon, and spacious five-cabin layout create an ideal platform for extended cruising, liveaboard adventures, entertaining, and family passagemaking.

Professionally maintained in the British Virgin Islands and equipped with desirable cruising upgrades including air conditioning, generator, watermaker, solar power, upgraded electronics, and extensive comfort features, Three Sheets is ready for her next chapter.

- International Ultra EU antifouling system (two-coat application)
- Annual waxing and buffing
- Upgraded strainers on all air-conditioning systems
- Cruising Equipment Package
- Full commissioning package

Safety Equipment

- MP10 container liferaft
- Offshore safety equipment package

WHY BUY "THREE SHEETS"?

Unlike many brokerage catamarans entering the market, "Three Sheets" combines a documented maintenance history with meaningful recent upgrades that directly impact ownership costs and cruising readiness.

The custom fiberglass hardtop, new 2026 sail inventory, new Highfield tender package, watermaker, generator, solar array, upgraded electronics, and spacious five-cabin layout create a turnkey cruising platform ready for Caribbean adventures, liveaboard cruising, charter ownership, or extended offshore passagemaking.

This is an opportunity to secure a highly desirable Saona 47 that is turnkey at an attractive price point before transitioning into private ownership.
