General Boat Description

Price Drop!!! Motivated seller, health forces sale.

Rare on the west coast, the Sea Ray 420 is a crowd favorite boat! It’s versatility as an easy handling bay cruiser, comfortable overnighter and family-safe boat with plenty of range for Catalina make this the perfect boat for year round enjoyment!

Cast Your Cares II is a well cared for example—recently deep cleaned, detailed and polished, with a record of consistent systems maintenance. All batteries replaced on July 15, 2026. She stands apart from many Sea Rays of her class with twin 8.3 liter Cummins diesel engines which provide 450 hp each—more efficiently, reliably and safely than gas-powered alternatives. Her spacious layout provides ample food prep and entertaining area inside and out, with heat and air conditioning for year round use! The cockpit floor raises with an electrical motor providing plenty of access to all mechanical and plumbing systems in a very large engine compartment.

With her sleek deep blue hull and smooth lines, this boat provides a luxury performance experience at a reasonable price. She is just as comfortable cruising at 24 kts as she is at anchor for a swim call. She is capable of opening up to thrilling speeds of 30+ kts or slowing down to an economical 8-10 kts for cocktail cruising in the evening!
